RULES

- All games to be played on a 1-20 clock board with center counting 25 and 50. Bull's-eye counts double 25.
- The board shall be hung 5'8" from the center of the bull to the floor. The minimum throwing distance shall be 7'9 1/4" to be measured from the point plumb with the face of the board to the back edge to the toe line, which must be marked in a distinctive manner. Raised ochies may be used at discretion of the proprietor.
- The scoreboard shall be placed in a convenient position so that all players can check progress of play. Electronic scoreboards that show count back are fine to use (must be visible at all times). If the electronic scoreboard doesn't show count back then it's down to the captains to agree if they are happy for the home team to use this, if not, the away captain can ask for the home team to chalk.
